Sheriff Strine sold this afternoon at 2 o'clock, at the court house, at sheriff's sale, the following described real estate: A lot of ground on South Charlotte

street, Manheim, containing in front 22 feet and extending in depth 270 feet, on which are erected a one-story frame dwelling house and other improvements, as the property of C. J. Mengle and Sallie Mengle. Purchased by David Hostetter for \$225, subject te mortgage of \$600.

New Blast Furnace.

The Marietta Times says: "Messrs. Eugene Bordia, Ethelbert Watts and John Steel Twells, of Vesta iron furnace, of Marietta, have been actively engaged for the past three months, looking for an eligible site for the erection of a blast furnace of the most approved and modern construction, at tide water. They have decided upon South Chester as the most desirable point, and now have the option from the Reading railroad LOW'S SOOTHING SYRUP. Good Work Being Continued.

Lancaster seems to be disposed to continue in the good course begun by the election and re-election of the present Democratic mayor. In the organization of the city government on Monday, the Democrats, though in a minority in the councils, succeeded in electing the principal city officers, and will have control hereafter of the police, street and water department. This was accomplished by a division in the Republican ranks, and such divisions seem to be a nonular form of amusement just now with the Lancaster Republicans. As the city was for a long time grossly misruled by the Republican party, corrupt, insolent and reckless through long domination, the change has already borne good fruit, and the city gives signs of a speedy recovery from the evils under which it had labored.

Party at Ephrata.

Last evening a pleasant social affair took place at the Ephrata Springs hotel in the shape of a party given there under the direction of Mr. James Winters and other well known young gentlemen of the borough. It was largely attended by the disciples of Terpsichore, among whom were many graceful dancers. The "racket," "Saratoga Lanciers," "Alsatian," and others of the latest dances were included in being furnished by Wash Taylor's orchestra, of this city, which is itself a guarantee of its excellence and satisfaction to the dancers. A fine supper was served at midnight, and the occasion was one of unusual enjoyment.

Shad. The catch of chad at the severl batteries on the Susquehanna below the Columbia dam, is quite large, but there is a universal complaint that the fish are small. This is no doubt caused by the lower portion of the river being blockaded with gill-nets, with meshes sufficiently large to let the smaller fish pass through, but capturing all the larger ones.

Died of His Injuries. Abraham Breneman, of Elizabethtown, whose attempted suicide by shooting has been heretofore noticed, died of his self-in flicted injuries yesterday. Coroner Mishler visited Elizabethtown to make inqui ries into the circumstances, but did not deem it necessary to hold an inquest.

serious injury by a runaway was noticed yesterday, still lies in a very critical condition. He is unconscious the greater portion of the time, and fails to recognize any one about him.

MURDERED AND MUTILATED.

The Horrible Discovery of Three Little Girls at Durham, N. H.

NEW MARKET, N. H., April 10 .- Yesterday afternoon while three little girls were gathering flowers in the woods at Durham, N. H., they discovered the headless body of a young man nearly nude. The town authorities were immediately notified and an investigation showed that a brutal murder had been committed, but by whom is as yet a mystery. The body was found lying face downward at full length with both arms resting underneath and only covered with a shirt. The right arm was severed from the body at the shoulder, and the head had also been cut off and has not yet been found. About 300 feet away the coat, pantaloons and vest were found, and in another direction, some 200 feet distant, a linen collar, cap, necktie and shirt bosom which had been torn completely off. There were three gold studs with garnet setting in the shirt bosom. The top part of the skull, minus the hair over a space nearly as as large as a saucer, and the murderer's oak club about three feet long were also found in a lot in the clearing. It is evident that here the murder was committed. Several pieces of skull and brains were scattered about, and torn clothing all indicating the victim's struggle for life. The authorities are carefully investigating the matter. Meanwhile great excitement prevails in the neighborhood.

PEGGING AWAY. Score of the Distinguished Tramps at Gil-more's Garden—Hart Still Leading. The score at two o'clock stood as fol-

make 450 miles, which gives him money.

I., April 10 .-- The largest block in Wakefield, South Kingston, known as the Times building, owned by Duncan Gillies, owner of the Narragansett Times, was destroyed by an incendiary fire early this morning. The block was occupied by Straus, dry goods, Greene & Armstrong, groceries, Bloomindale, tailor, Bell, barber, Sweet's bowling alley, Columbia hall, Masonic hall, and the Times printing office. Wood & Curtis's earriage shop was also destroyed. The loss is large and the insurance is considerable, but no esti-

mate has yet been made.
